The pass points listed for the written and practical examinations reflect the minimum competency required by Electricians to successfully perform their job duties in a responsible manner that protects the public from harm.

Submitting Your Examination Application

Before you can schedule your examination with CPS HR, you must submit a **typed** examination application and fee to the Department. Applications that do not include the examination fee will be returned to the applicant. Corresponding license examination applications can be found on the Department's website at <http://www1.nyc.gov/site/buildings/industry/applications-forms.page>. Note: All Special Examination Arrangement requests **MUST** be submitted with the application to be accepted.

Examination Fees

The fee for the written examination is \$525, and the fee for the practical examination is \$350. The **fees are nonrefundable** and **do not** include the background investigation fee or the license issuance fee for your license after you pass the examination and background investigation.

The fees must be paid by money order **only** and made payable to the New York City Department of Buildings. Checks and cash will **not** be accepted.
