The screenshot displays a user interface for a learning management system. At the top, the header includes the logo for CPS HR CONSULTING and navigation links: MY LEARNING | MY DASHBOARD | CATALOG | MY PROFILE. The user's name, James Lee, and the company name, CPS HR Consulting, are shown in the top right corner, along with a language dropdown set to English and a HELP icon. Below the header, a message states: "the enrollments/completions for the last 6 months period. To see the full list of enrollments, go to 'Learning History'". A filter bar shows three options: TO-COMPLETE (1), COMPLETED (2), and ALL (5). The TO-COMPLETE option is selected. Below the filter bar, a class card is displayed for "WRITING SKILLS FOR ANALYSTS". The card features a thumbnail image of hands writing in a notebook, the text "ATTEND-REMOTE", a progress indicator showing 0% completion, and a play button icon. The text "UPCOMING SESSION" and "JAN 17, 2023" is also visible. Two black arrows point to the "TO-COMPLETE" filter and the class title.

As shown below you can access materials (if available), and click on the JOIN icon to access your training session on morning of your class.
