content outline for the Elevator Agency Director and Elevator Agency Inspector written examinations. The pass point listed for the written examinations reflects the minimum competency required by Elevator Agency Directors and Inspectors to successfully perform their job duties in a responsible manner that protects the public from harm.

Submitting Your Examination Application

Before you can schedule your examination with CPS HR, you must submit a **typed** examination application and fee to the Department. Applications that do not include the examination fee will be returned to the applicant. Corresponding license examination applications can be found on the Department's website at <http://www1.nyc.gov/site/buildings/industry/applications-forms.page>. Any false statement on your application will result in you being deemed ineligible to take the corresponding license examinations and may result in severe civil and criminal penalties.

All Special Examination Arrangement requests **MUST** be submitted with the application to be accepted.

Examination Fee

The fee for the written examination is \$525. **The fee is nonrefundable** and does **not** include the background investigation fee or the license issuance fee for your license after you pass the examination and background investigation.

The fee must be paid by money order **only** and made payable to the New York City Department of Buildings. Checks and cash will **not** be accepted. Please make sure to include the last four digits of your Social Security Number on the front of your money order and retain a copy of the money order receipt as your proof of filing.

Scheduling Your Examination

You must complete and submit the written examination application as outlined on the Department's website, located at <http://www1.nyc.gov/assets/buildings/pdf/lic41.pdf>. Check the box that indicates your trade and submit the application with the \$525 fee (as noted above).

Once you receive an email notifying you that you are eligible to take the corresponding license examination, you are responsible for scheduling an appointment to take the examination.

You may only test one time per notification of eligibility. Each time you fail, you must reapply with the Department.

Important: You have six (6) months from your examination application date to take the examination. If you have not taken the written examination within six (6) months, you will need to reapply through the Department and pay the corresponding examination fee.

The examinations are administered by CPS HR's partner, *Pearson VUE*, at one of their several convenient test centers in and around the City. You may schedule via the Internet by clicking on the link found in your eligibility confirmation email. When registering for your examination, you will be provided with a list of available test locations and availability options. You will be able to choose the center that is most convenient for you.

To Schedule an Examination Online

After your examination application with the Department has been accepted, you will receive a notice via email that you may schedule your licensure examination. This notice will provide the information you need to schedule your examination, including a link to the scheduling website.

Important: For best results, access the link from a desktop or laptop computer. Please avoid accessing the link and scheduling from a smartphone. The scheduling website is optimized for desktop/laptop browser use.

After scheduling the examination, you will receive a confirmation email with appointment details. Visit the CPS HR website at https://link.cpshr.us/NYC_DOB_Exams for more information.

While taking the examination, examinees will have the opportunity to provide comments on any questions by using the comments key on the keyboard. These comments will be analyzed by CPS HR examination development staff. CPS HR does not respond to individuals regarding these comments but be assured that all substantive comments are reviewed.

Examination Results

For written examinations, the Proctor will give you a printed score report immediately following completion of the examination. The report indicates overall score and grade and whether you passed or failed. Proctors do not have any information about these tests or scoring methods.

Whether you pass or fail, you will receive a printed score report following completion of the examination. The Department requires you to submit the original pass score report as part of the submission of your background investigation documents.

Duplicate Score Reports

You can get a duplicate score report through your personal *Pearson Vue* web account any time after completing the examination.

Obtaining Licensure

Please refer to the Department website for information regarding submission of background investigation documents. If you successfully pass the background investigation, you will receive a notice of qualification from the Department. Upon receipt of the notice, you must contact the Department's Licensing & Exams Unit to schedule an appointment to obtain the license. You have one year from the receipt of the notice of qualification to appear and furnish to the Department all requested original forms, documents, and fees. Failure to do so will result in the denial of the license and will require a re-examination and reapplication.

If you have any questions regarding the application or the application process, please contact the Department of Buildings' Licensing & Exams Unit at www.nyc.gov/buildings or email LicenseExams@buildings.nyc.gov.

Retaking the Examination and the Appeals Process

You may retake the examination, when available, up to three (3) times within a six (6) month period. Each time you wish to take the examination, you must reapply through the Department and pay the full examination fee. Candidates who fail the written test three (3) times within six (6) months must wait six (6) months before applying again to take the written test.

Release of Score Information

Examination scores are released only with the candidate's written consent. In order for CPS HR to release a score to the Department, the candidate must give CPS HR consent. You will be asked for consent when scheduling the written examination before the examination is administered. Your consent is required before you can schedule the examination. If you do not consent you will not be able to schedule the examination and you will not be reimbursed for the examination fees.

Appeals Process

CPS HR's goal is to provide quality examinations and a pleasant testing experience for candidates. If you are dissatisfied with either and believe CPS HR can correct the problem, please use the comment forms available during your written examination administration. Your comments will be reviewed by CPS HR.
